Gun Lake Investments (“GLI”) is an Economic Development Corporation, wholly-owned by the Gun Lake Tribe. This forward-thinking entity invests in non-gaming opportunities that enhances the Tribal economy, as well as that of the broader community, while providing financial diversification for the Tribe. There is a focus on non-financial priorities, such as job creation and serving as a strong community partner, as well as generating financial returns, through developing a portfolio of both active and passive investments.

CSM Services is one of those investments and is a leading building services contractor in Western Michigan. Our company goal is to hire qualified staff in order to grow our company into the future. We strive to retain our employees and maintain the highest standards of customer service. Our business is growing and we are continually looking for talented individuals to join our team. With accounts all over the state of Michigan, we offer our employees great opportunities for growth and advancement. If you are looking to join a growing company in an exciting industry, we encourage you to apply to any of our open positions!
